

Twisted Mitts

By Amy Hurd

Supplies:

US 6 double points
Stitch marker
Stitch holder or waste yarn
100 yards of worsted weight yarn

Gauge:

6 pattern repeats equal 4"

Special Stitches:

M1: Pick up the bar between the last stitch you knit and the one you're about to knit, bringing the left needle from the back to the front and knit this new stitch. It should form a twisted stitch.

Size:

Ladies Medium

Pattern: Please note that there is a right mitt and a left mitt so the pattern is a mirror image. Trust the increases in the pattern to work in pattern. The thumb gusset increases will seem like they won't work but they do in the end. It will make sense after you finish the increases and fall right back into pattern.
